FOREWORD

THIS collection, formed during a period of many years, is exceptionally fine and deserves widespread attention of all collectors, numismatists, and dealers. The owner and consignor was always a careful, particular, and discerning collector. His means were not limited, and he did not hesitate to pay the value for a rarity that pleased his taste. A glance through this catalog will suffice to convince the collector of the quality of the material. There are so many gems and rarities that we will single out none. The sale is bona-fide and absolute, no reserves. We suggest that each and every collector who receives a catalog avails himself of the privilege to acquire at least one coin from this outstanding collection. No lots will be sacrificed; there are plenty of collectors to assure that. At our recent sale about eighty persons submitted bids and got nothing. They constitute the class of people who think prices of coins have slumped like those of bonds. That is far from true. Coins, and especially desirable and rare coins, are bringing as much today as ever, and many collectors are happy today that they had made investments in rare coins. I advise liberal bids to avoid disappointment. I promise faithfully to buy under your bids where other offers permit, as if you had been present at the sale in person. The sale terms will rule. We have customers in all states, and some foreign countries. Not all these can attend in person at any sale. Therefore, in fairness to all, we wish to have **all bids by mail.**

PRICED CATALOG \$1.00

A printed list of all prices realized at this large and important sale will be furnished after the sale for \$1.00 (one dollar) cash and order in advance. After the sale, the price list with a catalog will be \$1.50. This is the best method to keep posted on coin values and prices, and will constitute a good investment, as well as useful reference. Order your copy today.

TERMS OF SALE

All coins and bills are guaranteed genuine.

New Bidders or customers sending in bids for the first time **must positively** give first-class reference, bank reference preferable, or else send a deposit of at least **25%** of the total amount of bids. Otherwise, their bids will not be accepted. **To those known to me** who have established credit, a reference or deposit is not necessary, and purchases will be sent out promptly after the sale. **In appreciation** of this courtesy, the purchaser remits promptly.

The terms are prompt cash settlement after the sale, and **no time** given. Collectors who are not certain that they can pay **promptly**, are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

Remit by money order, draft, check, or in any way most convenient. Stamps accepted for accounts that are below one dollar only.

Coins will be bought below your bids where other offers permit, as this is competitive bidding, executed in good faith.

The usual charge of **5%** will be made for executing your bids, and for packing and sending out material. No charge made on anything not actually purchased. **This fee is very low for the superior service I expect to give you.**

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft or money order itself is a receipt. However, if a 3-cent stamp is enclosed we will send receipt.

Be certain that you bid on the lot you wish to buy. We will correct errors and adjust claims, but you should not expect us to pay for your mistakes. Be careful in making your bids. Be sure that you bid on the lot you wish to buy, and at so much per piece.

Bids must reach me by the morning of the sale. Mail them in time so as to avoid disappointment. At each sale some bids arrive too late to be executed.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, and there are no higher bids, the first received gets the lot. When two or more unlimited bids on a certain lot are sent, the first one received gets the lot at a 5% advance over the highest actual bid.

Between the seller and buyer, my position in describing the condition of coins and bills has been neutral. My classifications are generally considered to be conservative, by the collecting public.

It is easy to bid by mail. If you do not know how much to bid on any items, write me giving numbers in catalog and I shall be glad to inform you as to values. It is useless and a waste of time to make low bids that have no chance of success. I sincerely hope that each collector acquires some nice lots from this sale that give him a real thrill, and joy of satisfaction.

Please bid by the piece unless stated to bid for the lot. Thus, if there are 12 pieces in a lot and you wish to pay \$6 for the lot, then bid 50c. At each sale someone bids by the lot. Don't do this—bid by the piece.

MAGNIFICENT COLLECTION OF BECHTLER GOLD

Note—The gold coins of North Carolina and Georgia are among the first of the private issues in this country. The mint was founded by Christopher Bechtler at Rutherfordton, N. C., in 1831. He was assisted by his son, August Bechtler. Here we have probably the finest collection offered at sale in many years, and containing the rarest Bechtlers known.

CAROLINA BECHTLER GOLD

- 47.50 207. (1834) A. BECHTLER. RUTHERFORD. 5 DOLLARS. Rx. CAROLINA GOLD. 141. G: 20 CARATS. Milled edge. Very fine, strong impressions. Excessively rare variety. Great collections like Jenks, Wilharm, Ten Eyck, Lusk, Slack & Lawrence, did not have it. From the Zabriskie sale at \$90.
- 36.50 208. 1834 C: BECHTLER. AT RUTHERF: 5 DOLLARS. Reverse, CAROLINA GOLD. AUGUST 1, 1834. 140. G. 20. CARATS. Plain edge. Extremely fine, superb piece. Rare. This variety not found in most of the large collections.
- 55.- 209. (1834) \$2.50 Gold. BECHTLER. RUTHERF: 2.50. Reverse, CAROLINA GOLD. 67. G. 21. CARATS. Plain edge. Uncirculated or semi-proof, a magnificent specimen. One not as choice brought \$80 at Lusk sale in 1930 and the Lawrence specimen only very fine brought \$65 in 1929.
- 45.- 210. \$2.50 Gold. (1834). Type about as last, but 70 G. 20 CARATS. Plain edge. Very fine, raised borders; appearance of two small nicks, being slight defects in planchet. Excessively rare. Cost \$135 at Zabriskie sale in 1909. Recent record \$160 at Lusk sale in Dec. 1930.

- 15.- 211. \$1.00 Gold (1834). BECHTLER RUTHERF; in center 28: G. Reverse, CAROLINA DOLLAR, in center ONE. Plain edge. Uncirculated, brilliant gem. Rare variety and very rare so choice, as it usually comes bent. One of finest known.
- 5.- 212. Same as preceding, but in just ordinary condition, as generally found. Fine, a little bent.
- 5.50 213. \$1.00 Gold (1834). A. BECHTLER. 1 DOL: Reverse, CAROLINA GOLD. 27. G. 21. C. Plain edge, raised borders. Unc. with some proof surface. Very rare so choice.

EXCESSIVELY RARE "NORTH CAROLINA" \$5.00 GOLD

- 400.- 214. X \$5.00 Gold (1834). Obverse, C. BECHTLER, ASSAYER. RUTHERFORD COUNTY. Reverse, NORTH CAROLINA GOLD 5 DOLLARS. 20. CARATS. 150 G. Beaded borders, finely milled edge. Excessively rare. Elder sale 1908 \$785; Zabriskie sale 1909 \$420; Mehl sale 1909 \$675. Only nine specimens known, two of which are holed and one poor, leaving six desirable examples, of which this is the finest known. None in any recent sale. Easily the outstanding rarity and prize of this entire sale.
- 11.- 215. \$1.00 Gold (1834). The very rare North Carolina gold dollar. Obv., C. BECHTLER. RUTHERF: in center 30. G. Rev., N. CAROLINA GOLD. DOLLAR. In center, ONE. Finely milled edge, raised borders. Extremely fine. Very rare. Records of \$30.

RARE GEORGIA BECHTLER GOLD

- 32.- 216. (1834) Georgia \$5.00 Gold. Obv. C: BECHTLER. AT RUTHERF: 5 DOLLARS. Reverse, GEORGIA GOLD. 128. G. 22 CARATS. Plain edge. Very fine, well-centered and struck. Very rare. Records to \$100.
- 100.- 217. (1834) Georgia \$5.00 Gold. The excessively rare variety with RUTHERFORD instead of RUTHERF. Otherwise type as last. Extremely fine, lustrous surface. I can find records of only two specimens offered at public sale, one at the Gregory sale brought \$130; one at the Lusk sale in 1930 sold for \$142. Certainly worth more today. None in the great Lawrence, Slack, Ten Eyck, Zabriskie, or Jenks collections. Mr. Adams in his splendid book on Pioneer Gold states that there was no record of a sale of this coin at auction up to that time (1909).
- 70.- 218. (1834) Georgia \$2.50 Gold. BECHTLER RUTHERF: 250. Rev., GEORGIA GOLD. 64. G. 22. CARATS. Plain edge,

raised borders. Brilliant uncirculated, beautiful mint lustre. Finest known. Records at auction to \$170. Gschwend sale 1908 at \$135. Excessively rare.
